## CERTIFICATION LEVEL REQUIREMENTS

### Locksmith Certifications

#### **CRL Level:**

This is the entry level certification for locksmith professionals. This requires passing the Mandatory Exam as well as 2 elective exams.

#### **CPL Level:**

Once achieving the CRL level, this second step in certification requires passing an additional 12 electives.

#### **CML Level:**

This is the top level of the general locksmithing category. After achieving the CPL certification, this requires passing an additional 9 electives.

### Safe and Vault Certifications

#### **CPS Level:**

This is the entry level test for the Safe and Vault technician.

#### **CMST Level:**

Once achieving the CPS level, this is the top level of certification for the Safe and Vault category

### Automotive Certifications

#### **CAL Level:**

The entry level certification for the Automotive Specialist.

#### **CMAL Level:**

After attaining the CAL level, this is the top level certification for the Auto Professional.

### Institutional Locksmith Certifications

#### **ICRL Level:**

This is the entry level certification for locksmith professionals. This requires passing the Mandatory Exam as well as 2 elective exams, Life Safety Code and Basic Electricity.

#### **ICPL Level:**

Once achieving the CRL level, this second step in certification requires passing an additional 12 electives.

#### **ICML Level:**

This is the top level of the general locksmithing category. After achieving the CPL certification, this requires passing an additional 9 electives.

#### **CILM Level:**

This is a credential specifically for the Institutional Lockshop Manager. Candidate must achieve the ICPL level before sitting for this exam.

### Electronic Locksmithing Certifications

#### **CEL Level:**

Entry level certification for the security professional that services the electronic security needs of the public.

#### **CMEL Level:**

After receiving the CEL credential, this is the highest level certification for the Electronic Locksmith.

### Forensic / Investigative Certifications

#### **CFL (Auto, General, Safe/Vault):**

The CFL testing is by appointment only. There is a list of prerequisites that must be met and approved by the IAIL Advisory Committee before a sitting can be scheduled. The credential requires passing the Mandatory Test for the CFL as well as an elective specific to the field one wishes to specialize.
